

North Fork Farm Meat CSA Contract

Starting:

Spring/Summer Meat CSA (April – August)

OR

Fall/Winter Meat CSA (October – February)

Duration:

North Fork Farm frozen beef, pork and chicken are available for 5 months.

Cost:

Full Share (5 deliveries of up to 20lbs/according to cuts available) - \$675.00

Half Share (5 deliveries of up to 10lbs/according to cuts available) - \$425.00

North Fork Farm is committed to distributing quality beef, pork and chicken to you, our CSA member. While providing you with these delicious meats, we promise to run our operation in an efficient and trustworthy manner. Our meats are USDA inspected, vacuum packed, and raised without antibiotics or added hormones.

North Fork Farm promises to provide you with the delivery of your share of frozen meats every month for 5 months. Specific dates, time and location of the delivery can be found on the CSA page on our website at www.northforkfarmbeef.com.

As a North Fork Farm CSA member, you promise to understand the challenges related to raising, processing and delivering beef, pork and chicken.

1. You will promise to be flexible around the types of cuts you receive in your CSA box. At North Fork Farm we are aware of the value of different cuts of meat and we promise to make an effort to distribute the meats fairly so that the value of each box is approximately the same.
2. You promise to work with us to arrange a time to be available to receive your box on delivery day. Delivery dates, time and location will be scheduled at the beginning of the delivery season, and always posted on our website. Please note that if you are unable to receive your box at the scheduled time, we will charge a \$10 fee for rescheduling.

We are committed to sharing information from the farm with you throughout the season on our website, through our Facebook page, or via information in your CSA share. We also plan to use an email list for reminders of scheduled pick up days.

Together we will be making our food system happier, healthier and more sustainable. When you choose North Fork Farm you're supporting North Carolina family farmers and their rural communities. We know that when you do the right things you get the right results. For us that means our passion for every detail brings you the finest tasting meats, raised without antibiotics and hormones, at a reasonable price. Please feel free to contact us to answer any questions you may have. We look forward to being part of your local food community and getting to know you better.

Community Supported Agriculture (CSA) Application Spring/Summer or Fall/Winter Share

Name: _____

Address: _____

Phones: (H) _____ (W) _____ (C) _____

Email address: _____

Please choose which CSA you would like to participate in:

___ Spring/Summer Meat CSA

___ Fall/Winter Meat CSA

Please choose the CSA option of your choice:

___ Full Share (5 deliveries of up to 20lbs/according to cuts available)
\$675.00

___ Half Share (5 deliveries of up to 10lbs/according to cuts available)
\$425.00

The above may be broken down into two payments. Please check our CSA page on our website for date when full payment is due to secure your CSA share. You may mail a check or money order, for full or partial payment, to the address above. You may also mail the application along with your check, or you may email the application to northforkfarm@skybest.com. If you prefer to pay cash, please call us to make arrangements for payment.

This agreement represents a 5 month contract. It is my responsibility to see that my share is picked up on the day, time and location designated. I agree to be flexible around the types of cuts that I receive in my CSA box. I understand that North Fork Farm is aware of the value of different cuts of meat and that they promise to make an effort to distribute the meats fairly so that the value of each box is approximately the same. All payments are non-refundable.
